## United States Veterans Initiative (U.S. Vets)

U.S.VETS is a private non-profit organization providing housing, employment and counseling services to our nation's veterans, the men and women from all branches of the armed forces who have served their country from World War II to the current conflict in Afghanistan. At each of our eleven locations around the country, U.S.VETS personnel go into the local community to find homeless veterans and guide them to crucial services that might help alleviate the challenges they face as a result of their homelessness. The range of services includes housing and employment assistance, as well as access to veterans benefits and treatment for mental and physical health problems and substance abuse.

## Child and School Services

### School Liaison Officers

The School Liaison Officer (SLO) serves as the primary liaison between Hawaii's community schools, commanders, and military parents pertaining to K-12 education. The SLO also implements the K-12 education aspect of the Commander Navy Region Hawaii Strategic Engagement Plan. In particular, the School Liaison Office can assist with information on enrollment requirements and options; information on which schools service which housing areas; transition support for both families and schools; connections to Navy support organizations, such as the Fleet & Family Support Center; Exceptional Family Member Program, and Child & Youth Programs; and fostering a cooperative relationship among school administrations, parents and commands.

## **PATCH Hawaii**

**PATCH** is Hawaii's statewide child care resource and referral agency. Child care resource and referral (CCR&R) agencies, like PATCH are located throughout the country. CCR&R services have evolved from grassroot efforts to help parents find child care, to well-developed systems that support parents, providers, and local communities in finding, planning for, and providing quality child care. PATCH supports the professional development of care givers through training to improve the quality of care they are providing and to better understand the needs of the market. At PATCH, our mission is to support and improve the quality and availability of care for the young people of Hawaii. PATCH is the only Hawaii member of the National Association of Child Care Resource and Referral Agencies (NACCRRA). PATCH helps Hawaii's military families by:

- Producing a FREE list of child care referrals to meet the specific needs of your family upon request.
- Taking the extra step to verify child care providers have suitable vacancies. This PATCH service takes out the hassle of you having to call around to see who has space. You will only receive child care referrals to those providers that have a ready space for your child. Conducting a follow-up with your family to ensure care has been found.
- Informing families about special child care subsidy programs available only to military families and whether you may be eligible.

**Respite Care** for Air Force & Navy Families Enrolled in the Exceptional Family Member Program (EFMP):

NACCRRA (National Association of Child Care Resource and Referral Agencies) and the Military Services are working together to provide free respite care services to families of active duty and activated Reserve Air Force and Navy families enrolled in the Exceptional Family Member Program (EFMP).

Respite Care for EFMP Air Force Navy Families provides much needed respite - literally a break - for families who have exceptional family members.

The program provides 40 hours a month of free respite care per family (EFMs and their siblings) participating in the program to provide Service Members and their spouses with some time off. The time respite care is provided can be spent in whatever way the family chooses. For Respite Care Assistance, contact our Oahu office at (808) 839-1988

## **National Association of Child Care Resource and Referral Agencies (NACCRRA)**

Child Care Aware® of America is our nation's leading voice for child care. We work with state and local Child Care Resource and Referral agencies (CCR&Rs) and other community partners to ensure that all families have access to quality, affordable child care. To achieve our mission, we lead projects that increase the quality and availability of child care, offer comprehensive training to child care professionals, undertake research, and advocate for child care policies that improve the lives of children and families. Since 1987, Child Care Aware® of America has been working to improve the system of early learning for children by:

- Providing training, resources and best practices standards to local and state CCR&Rs that support high-quality, accountable services.
- Promoting national policies and partnerships that facilitate universal access to high-quality child care.
- Collecting, analyzing, and reporting current child care data and research, including child care supply and demand trends.
- Offering child care and parenting information and resources to families and connecting families to local CCR&R services.

Fee assistance programs are provided for children ages birth through 12 years. All programs require Families to use a provider with a state child care license who has been inspected within the last 12 months. The Service Member's spouse must be working or enrolled in school for the OMCC, MCCYN or Fallen Warrior programs (also applies to unmarried parents living in the same household). Temporary assistance is available for spouses who are seeking employment. For the MCCYN program, providers must meet additional high quality standards.

## **Child Development Centers**

Child Development Centers (CDC) are on-post facilities that reduce stress on families and support workforce readiness by offering full-time, part-time and hourly child care service options for children 6 weeks to 5 years of age. Full-day is for working parents who require regularly scheduled care 5-12 hours per day. Part-time is typically for parents who work part-time or are full-time students who require care for their pre-school children. Hourly care is for parents requiring short term or intermittent child care for special events or appointments. All programs provide rich and stimulating age-appropriate environments that help children develop cognitive, motor, social, and emotional skills. Learning activities provide through individual, small and large group experiences that support the natural development of children. A research-based curriculum ensures children develop school readiness skills.

## **Army School-Age Services (SAS)**

SAS features before and after school programs and out of school care options for children in grades K-5. Through partnerships with National 4-H, CHARACTER COUNTS, and Boys and Girls Clubs of America, the program helps children learn to work with their strengths, interests, and each other, to feel good about themselves, and to grow as individuals. Programs are offered in the core areas of leisure, recreation, and the arts; sports and fitness; life skills; citizenship and leadership; and mentoring and support services. The Hawaii program is 100% accredited through the National Council on Accreditation.

**Before School Program:** The program operates from 5:30 a.m. until the children are dropped off at school or at the bus stop. A USDA approved breakfast is served and a variety of self-directed activity choices are offered. Standard monthly fee required.

**After School Program:** The program begins when the children are picked-up at the bus stop or arrive from school at the center and ends at 6:00 p.m. A USDA approved snack is served and a wide variety of directed and self-directed activity choices are offered. Activity choices include a homework center, computer lab, outdoor and indoor games and play, music and dance, arts and crafts, physical fitness and sports and various nationally recognized programs from 4-H and the Boys and Girls Clubs of America. Standard monthly fee required.

**Before and After School Program:** A combination of the two previously mentioned programs with a standard monthly fee.

**Full-Day Program:** Full-Day programs are offered from 5:30 a.m. until 6:00 p.m. during school vacations, school out days, state holidays, and teacher training days. Children in the After School or Before and After School programs are guaranteed a space in all Full-Day Program days as part of their monthly fee. Children in just Before School or not currently enrolled in SAS must register for Full-Day care on a space available basis and pay a separate daily fee. Child program options during the Full-Day Program are similar to what is offered in After School with the addition of selected field trips and special events. A USDA approved breakfast, lunch, and afternoon snack are included.

**Open Recreation and hourly care:** This is offered at various SAS locations on a space available basis only. Please contact your local SAS center for more information.

**Summer Day Camp** is a fast paced full-day care program that meets family summer break child care needs. The program runs for 9 weeks to cover the state public school break period. A variety of activities to include field trips and pool visits are included in this special weekly fee program. A USDA approved breakfast, lunch, and snack are also included.

### **Youth Sponsorship**

Youth sponsorship helps relocate youth to become familiar with their new home in Hawaii. School-Age Services provides a sponsor or welcome packet for family members in grades K-5. Sponsors are matched to youth according to their gender, age, and interests. The sponsor takes the incoming youth around the post to see the school and youth center and introduce them to the various activities offered by Child, Youth, and School Services and the Community Recreation Division.

Soldiers need to bring their latest end of month LES with them to the class.

## Legal Assistance

Legal assistance is a service provided by the military to help service members, their families, retirees, and, in some cases, DoD civilians and contractors with various legal matters. Although the Legal Assistance Program focuses on helping service members get their legal affairs in order before they deploy or mobilize, the Program's attorneys also provide advice and services in other areas, such as domestic legal issues and civil suits. Legal Assistance Attorneys are not allowed to provide assistance on all legal matters and, in most circumstances, cannot represent clients in civilian courts of law.

## **Mental Health Program**

### **Military Pathways**

To help those who may be struggling, the Department of Defense teamed up with the nonprofit organization, Screening for Mental Health<sup>®</sup>, to launch Military Pathways (formerly the Mental Health Self-Assessment Program<sup>®</sup>). The program is available online, over the phone, and at special events held at installations worldwide. It provides free, anonymous mental health and alcohol self-assessments for family members and service personnel in all branches including the National Guard and Reserve. The self-assessments are a series of questions that, when linked together, help create a picture of how an individual is feeling and whether they could benefit from talking to a health professional. The primary goals of the program are to reduce stigma, raise awareness about mental health, and connect those in need to available resources. The self-assessments address depression, posttraumatic stress disorder (PTSD), generalized anxiety disorder, alcohol use and bipolar disorder. After an individual completes a self-assessment, s/he is provided with referral information including services provided through the Department of Defense and Veterans Affairs. To take a free, anonymous self-assessment, visit [www.MilitaryMentalHealth.org](http://www.MilitaryMentalHealth.org).

### **National Guard Psychological Health Program**

A significant duty for the Directors of Psychological Health (DPH) is to make referrals to other professionals. When the referral to another mental health professional is involved, the DPH recognizes the importance of their referral because it holds the weight of being a personal recommendation. Therefore, the DPHs take their role very seriously and take time to ensure that they are making an educated decision on how to best meet the needs of the service member and family members through another provider. The National Guard Psychological Health Program provides service members and their families with resources to master psychological health challenges and to maintain operational readiness. Their goals are to provide high-quality mental health services for individual needs, maintain confidentiality while coordinating professional services, and provide education resources to maintain and improve personal resiliency. National Guard members and families should never weather emotional and behavioral challenges alone. For more information on their services, please visit [www.ngphp.com](http://www.ngphp.com).

## **Tripler Army Medical Center - Department of Psychology**

## **General Henry H. Arnold Education Grant Program**

This grant program is competitive in its need-based selection criteria, uniquely tailored to recognize the proper weighing of family income and education cost factors. These \$2,000 grants are awarded to selected sons and daughters of Active Duty, Title 10 AGR/Reserve, Title 32 AGR performing full-time active duty, retired, retired reserve and deceased Air Force members; spouses of active duty members and Title 10 AGR/Reservists; and surviving spouses of deceased personnel for their full-time undergraduate studies. To ensure unbiased selection, AFAS contracted with ACT's Scholarship and Recognition Services to provide administrative support services for this program. However, the Scholarship and Recognition Services division of ACT was recently acquired by Scholarship America, an independent, not-for-profit organization whose primary focus is providing access to higher education through scholarships and tuition assistance. As a result, the program will now be administered by Scholarship Management Services (SMS), a division of Scholarship America. Over the past 36 years, SMS has become the nation's leading administrator of education assistance programs. The Society has every confidence that SMS will administer our grant program in an efficient and credible manner, and will provide the expected level of customer service.

**Eligibility:** Applicants must be in one of the following categories (items 1-3) and meet all other eligibility criteria listed below (items 4-6):

1. Dependent sons and daughters of Air Force members in one of the following categories:

- Active Duty, Title 10 AGR/Reserve on extended active duty, and Title 32 AGR performing full-time active duty. All members must be on active duty through December 1, 2014 (all other Guard and Reserve are not eligible).
- Retired due to length of active duty service or disability, or retired AGR/Reserve with 20+ satisfactory service years creditable for retired pay (all others are not eligible).
- Deceased while on active duty or in retired status.

For financial aid purposes, a "dependent" student is one who will not reach age 24 during the award year; will not be a graduate or professional student; will not be a veteran; will not be an orphan or ward of the court; will not be married or have legal dependents other than a spouse.

2. Spouses of Active Duty members and Title 10 AGR/Reservists on extended active duty. Member's active duty status must extend through December 1, 2014. Eligible spouses must be legally married to member (not separated or pending divorce) at time of application and disbursement of award.
3. Surviving spouses of Air Force members who died while on active duty or in retired status.
4. Will be a high school graduate enrolled or accepted as a full-time undergraduate student in the 2014-2015 academic year. NOTE: Students enrolled exclusively in distance education courses should check with their school official to verify their enrollment as meeting school's full-time status requirements.
5. Will be enrolled or accepted in an accredited college, university or vocational/trade school approved by the U.S. Department of Education for participation in federal aid programs.
6. Maintain at least a cumulative 2.0 grade point average on a 4.0 grading scale. NOTE: Eligibility in future years requires previous grant recipients to demonstrate satisfactory progress by promotion in school grade level. Awards are not automatically renewed; students must reapply and re-compete each year.

## **Mike and Gail Donley Spouse Scholarship**

The Air Force Spouse Scholarship program is designed to encourage Air Force spouses worldwide to pursue associate, bachelor or graduate/postgraduate degrees.

### **Eligibility:**

The applicant must be a spouse of Air Force active duty, Air National Guard, Air Force Reserve, or Department of the Air Force civilian spouse to be eligible. Spouses who are themselves Air Force personnel, or in ROTC, are not eligible.

1. Include an official, original transcript verifying your minimum 3.5 cumulative GPA or higher. The transcript must have your name on it and show that you are enrolled for the minimum number of hours (6 credit hours for undergraduate study and 3 credit hours for graduate study). You must be in a degree program. If you are not currently enrolled, then, in addition to an official, original transcript, include a letter from your college or university that confirms your intent to carry the required hours in the Fall.
2. If you have no prior college or university course work, include proof of acceptance to an accredited college or university. This must be an original letter on college or university stationery from the admissions office or the registrar.
3. In a two page double-spaced essay, describe your academic and career goals and the motivation which led you to this decision. Describe how Air Force involvement or local community activities in which you are involved will enhance your goals.
4. Two signed letters of recommendation should be character references and descriptions of your performance and potential as a student, employee or volunteer. The two letters must be from different sources. The letters can be from professors, employers or volunteer organizations. You may also request a letter from your local AFA Chapter.
5. A photo of the applicant (preferably a head shot). Your photo and your words may be used in our publications.

### **Scholarship Allocation:**

A feedback form will be sent to recipients with their scholarship check and is required to be returned not more than six months after the award is made. Scholarships are awarded in July and are not renewable. Prior recipients cannot be considered again.

A check in the amount of \$2,500 will be sent to the recipient in September.

Scholarships may be used to pay for any reasonable cost related to pursuing a degree. This would include tuition, books, transportation, or childcare costs.

## **Tillman Military Scholarship**

In 2002, Pat Tillman left a successful football career with the Arizona Cardinals to join the U.S. Army. Tillman served in several tours of duty, including time in Iraq and a stay in Afghanistan. Sadly, his military career came to an end in 2004 when he was killed. Tillman military scholars are selected on the following basis:

- Educational and career ambitions
- Record of military service (or service as a spouse); motivation for serving
- Record of personal achievement
- Demonstration of service to others in the community
- Desire to continue to serve others and make a positive impact on your community
- Leadership potential
- Compelling, thoughtful, genuine and thorough essay question responses

### **Eligibility:**

Veteran and active duty military service members

- a. Of both pre- and post-9/11 service
  - b. From all branches of the U.S. military including National Guard and Reserve
1. Current spouses of veterans or active duty service members (including surviving spouses)
  2. Service members or spouses pursuing an undergraduate, graduate or post-graduate degree as a full-time student at a public or private, U.S.-based accredited institution.

### **Required Documents:**

In order to best prepare for completing the application, please have the following information available to during this process: military service history, educational history, enrollment plans, and expected academic/living expenses and income for the upcoming academic year. The application will require responses to two essays exploring the following areas: military and public service motivation and experiences; and educational, career, and service ambitions. All Tillman military scholar applicants must complete the Free Application for Federal Student Aid (FAFSA) in order to be considered for funding. The following documents will need to be uploaded in a digital file format:

- Documentation of military service and / or community impact as military spouse. All discharged service members must provide their most recent DD 214. Active reservists or National Guard applicants may provide alternate military service verification forms.
- Resume including education, work, public service history, recognitions and awards earned.

### **Renewability:**

Annual funding renewability will be considered for most Scholars based on meeting expected graduation date, proof of full-time student status, minimum 3.0 GPA earned, Tillman community engagement as a thought leader, documented participation in service, accountability for use of scholarship funds, and completion of Foundation surveys. All criteria must be met in order to be renewed. Review of renewal status is conducted each June by the Pat Tillman Foundation. Tillman Military Scholars are expected to maintain a full-time enrollment in a U.S accredited institution unless they are assuming part-time status during the semester they will graduate. Scholarship funding can only be used toward a single post-secondary degree.

- Children of Navy Religious Program Specialists attached to a Marine unit who were killed in combat on or after September 27, 2008
- Children of Marines who were killed in training after September 27, 2008

## **Scholarships for Military Children**

The Scholarships for Military Children Program was created in recognition of the contributions of military families to the readiness of the fighting force and to celebrate the role of the commissary in the military family community. It is the intent of the program that a scholarship funded through contributions be awarded annually for each commissary operated by the Defense Commissary Agency worldwide. The Scholarships for Military Children Program is primarily funded through the generosity of manufactures and suppliers whose products are sold at military commissaries, worldwide. We encourage military families to take advantage of the commissary benefits that not only provide a savings of more than 30 percent on the products purchased, but also support the military community through programs such as this scholarship. The purchase of these products from these companies help fund the Scholarships for Military Children program.

### **Eligibility:**

Only dependent unmarried children under age of 23 of active duty personnel, reserve/guard and retired military members, or survivors of service who died while on active duty or survivors of individuals who dies while receiving retired pay from the military may apply for a scholarship. Dependent children of NOAA, Public Health Service, other federal or military related agencies or activities, or DoD civilian employees are not eligible unless they meet the above requirement. Applicants should ensure they, as well as their sponsor, are currently enrolled in the Defense Enrollment Eligibility

Reporting System (DEERS) database and that they have a current dependent military ID card. The DEERS database will be the primary method of verifying eligibility.

Applicants must be enrolled, or planning to enroll, in a full-time undergraduate degree program at an accredited U.S college or university in the fall term of the academic year. Applicants who have earned an undergraduate degree or who are enrolled in a graduate degree program are not eligible. High school participants must have a minimum unweighted GPA of 3.0 to be eligible to apply. Students attending a community or junior college must be enrolled in a program of studies designed to allow the student to transfer directly into a four-year program.

Applicants or their sponsors need not live at an installation that has a commissary. Applicants may submit the application where their sponsors normally shop or closest to where their sponsors live. It is the sole responsibility of the applicant to ensure the commissary receives the application.

Required Documents:

Each application will include the following which must be submitted as one package:

1. The completed two-page application
2. High school applicants: transcript indicating a cumulative unweighted GPA of 3.0 or above on a 4.0 scale
3. College applicants: transcript indicating a cumulative unweighted GPA of 2.5 or above on a 4.0 scale
4. Short TYPED essay.

## **AFCEA Scholarships**

Located around the world, many of AFCEA's 120 chapters also provide scholarships, grants and tuition assistance for aspiring engineers, technicians, programmers, military personnel and government officials. Financial assistance is made available for students living or attending school within each chapter's local community. There are six general categories of scholarship assistance available for undergraduate and graduate students currently enrolled full time at four-year colleges or universities in the U.S. Please read the information listed below to determine eligibility based on individual qualifications and program. Please apply for one scholarship only. Applicants must be college sophomores or juniors at the time of application -- minimum second-year college students **ONLY** please. Graduate students must be currently enrolled in at least two semester-equivalent classes at an accredited U.S. college or university. A minimum overall GPA of 3.0 (or equivalent) is required.

***Note: high school students are not eligible to apply.***

The Hawaii Chapter awards a minimum of 30 scholarships to students from Hawaii in high school and college categories, ranging from \$2,000 to \$5,000. In 2013, the chapter's Education Foundation awarded 36 scholarships totaling \$84,000. The foundation presented six special recognition awards for outstanding achievement in community services, academics, leadership and technical competence.

The Lt. Gen. Thomas Rienzi, USA (Ret.), \$5,000 scholarship is given to a student planning to attend, or currently enrolled in, a Hawaii university who demonstrates consistent academic excellence, leadership and community involvement. The Donna Russell Scholarship for Distinguished Service was added this year, awarding a \$5,000 scholarship to a student currently enrolled at a college or university in the state of Hawaii pursuing a teaching degree and intending to or currently teaching STEM-focused curriculum. This individual must exemplify an outstanding commitment to education and STEM communities.

The foundation is also a major contributor to and supporter of the Hawaii Science and Engineering Fair, Hawaii State Science Olympiad, multiple robotics programs and the Cyber Patriot Cyber Defense competition. The Science and Technology Tools grant program supports these various STEM and robotics programs throughout the islands. ## **ThanksUSA Scholarship**

Since 2006, ThanksUSA has awarded more than 3,000 scholarships with a total value of nearly \$10 million. ThanksUSA “thanks” the men and women of the United States armed forces by awarding need-based college, technical and vocational school scholarships for their children and spouses. Applications are accepted each year from April 1st to May 15th. Awards are not renewable. Students may reapply in subsequent years if ThanksUSA is offering the same scholarship program.

### **Eligibility:**

Dependent children, age 24 and under, of U.S. military service personnel, or be spouses of U.S. military service personnel and be current high school seniors or graduates who plan to enroll or students who are already enrolled in a fulltime undergraduate course of study at an accredited two- or four-year college or university or vocational-technical school for the 2013-14 academic year and have at least a 2.00 cumulative grade point average (GPA) on a 4.00 scale or its equivalent on their relevant academic record (e.g., high school record for incoming freshmen or postsecondary school record for those already enrolled in a college, university or vocational/technical school).

Spouses enrolled part-time in an undergraduate course of study at an accredited institution are also eligible. Spouses may also use the award for non-degree licensure / certification programs regardless of whether an undergraduate degree has already been completed. If selected as a recipient, the student will receive an award of \$3,000 for educational expenses.

Awards granted to dependent children are for first-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school and are NOT for non-degree licensure/certificate programs or graduate study. Spouses may use the award for a first-time undergraduate degree at an accredited two- or four-year college, university, or vocational-technical school.

Both dependent children and spouses who have completed a vocational program or associate's degree may use the award for study toward a first time bachelor's degree. Master's programs or graduate-level study are not eligible.

Kaplan University offers one full undergraduate scholarship through ThanksUSA for an eligible military spouse.

## **Required Documents:**

- U.S. Military Service Personnel's social security number and base or unit location information
- Student and U.S. Military Service Personnel email addresses
- List of student's involvement in school activities, church activities, and community activities
- Student's transcript of grades – unofficial copies are accepted
- Short statement of student's educational and career objectives
- Financial information from the family's most recently submitted tax return

## **Folds of Honor Foundation Scholarship**

The Folds of Honor Foundation was founded in 2007 by Major Dan Rooney, a former F-16 pilot, golf course owner, PGA Professional and USGA member. A Major in the Air National Guard and a decorated military aviator, Rooney has served three combat tours in Iraq. After returning from his second tour, Major Rooney witnessed a profound situation that drove him to create the Folds of Honor Foundation.

The Folds of Honor Foundation is rallying a nation to ensure no family is left behind in the fight to preserve American freedom. Through scholarships and other assistance, we give back to the spouses and children of soldiers killed or disabled in service to our country. We provide healing, hope and an opportunity for dreams to be realized...with the support of people like you. We feel this is our duty as citizens of the greatest country in the world.

**Eligibility:** Eligible applicants must be the spouse or dependent of:

## **Army Women's Foundation Legacy Scholarship**

The U.S. Army Women's Foundation is a 501(c)(3) organization headquartered in Fort Lee, Virginia. The mission of the Foundation is to recognize and honor the service of women in the Army and to support the Army Women's Museum at Fort Lee.

The Foundation Legacy Scholarship program recognizes the importance of education and helping recipients to achieve their educational goals. The Legacy Scholarship program offers financial support to Army women and their lineal descendants in four areas: Certificate programs, Community College coursework, Undergraduate Degrees, and Graduate Degrees. Scholarships are awarded only to coursework from accredited institutions. Scholarships are based on merit, academic potential, community service, letters of recommendation, and need.

The Legacy Scholarships are available for tuition assistance for certification, coursework at community college level or four year academic institutions and graduate schools. Community College and Certificate Program Legacy Scholarships will be awarded up to \$1,000. College, University, and Graduate Program Legacy Scholarships will be awarded up to \$2,500.

### **Eligibility:**

- Applicant must be a woman who has served or is serving honorably in the U.S. Army, U.S. Army Reserve, Army National Guard or the child of a woman who served honorably in the U.S. Army, U.S. Army Reserve or Army National Guard.
- Community College Legacy Scholarships: Applicant must be a high school graduate with a 2.5 Grade Point Average (GPA) or GED and must be currently enrolled in an accredited community college.
- Certificate Program Legacy Scholarships: Applicant must be a high school graduate with a 2.5 Grade Point Average (GPA) or GED and must be currently enrolled in accredited Technical Certificate granting institution.
- College and University Legacy Scholarships: Applicant must be currently enrolled at an accredited college or university and have completed 30 credit hours of course work and with a minimum cumulative GPA of 3.0 or better.
- Graduate Program Legacy Scholarships: Applicant must have achieved an undergraduate degree with a cumulative GPA of 3.0 and must be enrolled in or accepted into a Graduate level program.

Selection of the Legacy Scholarship recipient(s) will be made by a Scholarship Committee appointed by the Board of Directors of the U.S. Army Women's Foundation. Each level of scholarship award will be evaluated and considered separately by the USAWF Scholarship Committee who will also determine the number of scholarships awarded for each level and the amounts of each scholarship. Army women will be considered in one category and the children of Army women will be considered in a separate category. In this way, peers will compete with peers.

The scholarship funds may be used to assist with tuition, fees, books and school documented room and board. Scholarships are awarded only to accredited institutions. The funds will be sent to the academic institution for documented expenses and must be used in the academic year awarded. These funds may not be used for prior academic expenses.

### **Required Documents:**

- Application materials including online application form, essay, transcript, recommendations, proof of matriculation at designated accredited academic institution, as well as commander's verification of active duty or documentation (DD-214) of the sponsor or woman's service must be postmarked by January 15, 2015.
- The application requires a short essay (2 pages or less, typed, double-spaced) highlighting why the recipient should be considered for this scholarship and address future plans as related to the program of study. This essay should also include pertinent information in assessing other areas to include community service, activities and work experience. Specifically, how the Army has impacted your life and / or goals.
- An official transcript from their college or university is required. For new applicants to a community college, high school transcripts or GED documentation must accompany the application.
- Two letters of recommendation with titles and contact information are also required. One letter of recommendation should be from a school advisor, counselor, dean of students, etc. Letters of recommendation should demonstrate why a Legacy Scholarship should be awarded.
- Applications and all materials must be labeled with the applicant's last name and postmarked by the deadline for consideration and selection.

# The Dependents' Educational Assistance (DEA) Program

Department of Veterans Affairs

---

---

## Survivors and Dependent Assistance – Chapter 35

The DEA Program offers education and training opportunities to eligible dependents of veterans who are permanently and totally disabled due to a service related condition or of veterans who died while on active duty or as a result of a service related condition. Benefits may be used for degree and certificate programs, apprenticeship, and on-the-job-training. Spouses may take correspondence courses. Remedial, deficiency, and refresher courses may be approved under certain circumstances. Education benefits up to 45 months may be received from this program.

Note: Each individual State approves schools and courses. To find out if your school or program is approved for VA educational benefits, contact your school's VA Certifying Official, or call VA at the toll-free number below.

Eligibility:

To be eligible for the DEA program you must be the son, daughter, or spouse of:

- A veteran who died, or is permanently and totally disabled, as the result of a service-connected disability. The disability must arise out of active service in the Armed Forces.
- A veteran who died from any cause while such permanent service-connected disability was in existence.
- A service member missing in action or captured in the line of duty by a hostile force.
- A service member forcibly detained or interned in the line of duty by a foreign government or power.
- A service member who is hospitalized or receiving outpatient treatment for a service-connected permanent and total disability and is likely to be discharged for that disability.

**Required Documents:**

- VA form 22-5490, Dependents' Application for VA education benefits. Send it to the VA regional office with jurisdiction over the State where you will advance your education and training. If you are a son or daughter, under legal age, a parent or guardian must sign the application.
- If you have started training, take your application to your school or employer. Ask them to complete VA Form 22-1999, Enrollment Certification, and send both forms to VA.

# Survivor Services

## Survivor Outreach Services

An Army program developed to better serve the Surviving Families of the Fallen by keeping them connected to the Army for as long as they desire. SOS provides the long-term support, resources and emotional connections. SOS is available to all Survivors, Survivors being the spouses, children, parents, siblings, and friends grieving the loss of a Soldier regardless of how they died. SOS coordinates with Military, Non-Governmental Organizations and the local community to create a support network. All Army Duty, Army National Guard and Army Reserve component Survivors are eligible under the SOS Program.

In order to provide continued support and better understand the concerns and experiences of our Surviving Families of the Fallen, we reach out to Families through support care meetings, phone calls, and letters to capture those concerns and experiences to assist our service delivery.

## **Tragedy Assistance Program for Survivors (TAPS)**

TAPS is the 24/7 tragedy assistance resource for ANYONE who has suffered the loss of a military loved one, regardless of the relationship to the deceased or the circumstance of the death. Founded out of tragedy in 1994, TAPS has established itself as the front line resource to the families and loved ones of our military men and women. TAPS provides comfort and care through comprehensive services and programs including peer based emotional support, case work assistance, connections to community-based care, and grief and trauma resources.

Our National Military Survivor Seminar and Good Grief camp has been held annually since 1994. TAPS also conducts regional Survivor Seminars and Good Grief Camps at locations across the country. The Tragedy Assistance Program for Survivors (TAPS) is a not-for-profit organization and is not part of, or endorsed by, the Department of Defense.

# Wounded Warrior Project

Wounded Warrior Project<sup>®</sup> (WWP) serves veterans and service members who incurred a physical or mental injury, illness, or wound, co-incident to their military service on or after September 11, 2001 and their families. On that date, America watched in horror as approximately 3,000 people died including hundreds of firefighters and rescue workers. Many warriors note a sense of duty to volunteer for the military following these tragic events. Sept. 11 also served as a stimulus for Operations Iraqi Freedom, Enduring Freedom, and New Dawn. Operation Iraqi Freedom refers to military operations in Iraq that began March 19, 2003 and officially ended August 31, 2010. Operation Enduring Freedom refers to combat operations in Afghanistan and other regions in support of the Global War on Terror. Operation New Dawn refers to the conclusion of operations in Iraq beginning September 1, 2010 and ending December 15, 2011. WWP also offers the following programs and services:

Combat Stress Recovery Program (CSRP)  
Project Odyssey  
Restore Warriors  
Physical Health and Wellness (PH&W) Programs  
Transition Training Academy (TTA)  
Warriors to Work Program

With advancements in battlefield medicine and body armor, an unprecedented percentage of service members are surviving severe wounds or injuries. For every US soldier killed in World Wars I and II, there were 1.7 soldiers wounded. In Operation Iraqi Freedom and Operation Enduring Freedom, for every US soldier killed, seven are wounded. Combined, over 48,000 servicemen and women have been physically injured in the recent military conflicts. In addition to the physical wounds, it is estimated as many as 400,000 service members live with the invisible wounds of war including combat-related

stress, major depression, and post-traumatic stress disorder. Another 320,000 are believed to have experienced a traumatic brain injury while on deployment.
